Advisory Committee on Breast Cancer in Young Women

Committee's Official Designation.

Advisory Committee on Breast Cancer in Young Women (ACBCYW).

Authority.

The ACBCYW was established pursuant to Section 399NN of the Public Health Service Act, [42 U.S.C. §280m], as amended. The Committee is governed by the provisions of Public Law 92-463, as amended (5 U.S.C. App. 2).

Objectives and Scope of Activities.

The Secretary, Department of Health and Human Services (HHS), acting through the Director, Centers for Disease Control and Prevention (CDC), in accordance with Section 399NN of the Public Health Service Act, as amended, is authorized to develop evidence-based initiatives to advance understanding and awareness of breast cancer among young women (particularly those at heightened high risk for developing breast cancer); to establish and conduct public and health care professional education activities; to conduct prevention research; and to support the dissemination of evidence-based age appropriate messages and materials. The ACBCYW shall provide advice and guidance to the Secretary, HHS, the Assistant Secretary for Health, HHS, and the Director, CDC, regarding the formative research, development, implementation and evaluation of evidence-based activities designed to prevent breast cancer (particularly among those at heightened risk), and promote the early cancer detection and support of young women who develop the disease.

Description of Duties.

The ACBCYW shall advise the Secretary, HHS, the Assistant Secretary for Health, HHS, and the Director, CDC regarding efforts to implement evidence-based activities designed to prevent breast cancer in young women, promote risk reduction and early detection, and support young women who are at an increased risk of early breast cancer as well as those who develop the disease. In addition, the Committee will provide guidance on topics related to breast health in

young women of all racial, ethnic, and cultural backgrounds, breast cancer in young women (including hereditary breast cancer), risk and risk reduction for hereditary breast cancer, evidence-based information and training for health care providers regarding breast cancer in young women, and related issues. The advice provided by the Committee will assist in ensuring scientific quality, timeliness, utility, and dissemination of credible appropriate messages and resource materials.

Agency or Official to Whom the Committee Reports.

The ACBCYW shall provide advice and guidance to the Secretary, HHS; the Assistant Secretary for Health, HHS, and the Director, CDC.

Support.

Management and support services shall be provided by the Division of Cancer Prevention and Control (DCPC), National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), CDC.

Estimated Annual Operating Cost and Staff Years.

Estimated annual cost for operating the Committee, including compensation and travel expenses for members but excluding staff support, is \$30,440. Estimate of annual person-years of staff support required is 0.50 at an estimated annual cost of \$71,643.

Designated Federal Officer.

CDC will select a full-time or permanent part-time Federal employee to serve as the Designated Federal Officer (DFO) to attend each meeting and ensure that all procedures are within applicable statutory, regulatory, and HHS General Administration Manual directives. The DFO will approve and prepare all meeting agendas, call all the Committee and subcommittee meetings, adjourn any meeting when the DFO determines adjournment to be in the public interest, and chair meetings when directed to do so by the official to whom the Committee reports. The DFO or his/her designee shall be present at all meetings of the full Committee and subcommittees. In the event that the DFO cannot fulfill the assigned duties of the Committee, one or more full-time or permanent part-time employees will be assigned as DFO and carry out these duties on a temporary basis.

Estimated Number and Frequency of Meetings.

Meetings shall be held approximately twice per year at the call of the DFO, in consultation with the Chair. Meetings shall be open to the public except as determined otherwise by the Secretary, HHS, or other official to whom the authority has been delegated, in accordance with the Government in the Sunshine Act (5 U.S.C. §552b(c)) and Section 10(d) of the Federal Advisory Committee Act; notice of all meetings shall be given to the public.

Duration.

Continuing.

Termination.

Unless renewed by appropriate action prior to its expiration, the charter for the Advisory Committee on Breast Cancer in Young Women will expire two years from the date it is filed.

Membership and Designation.

The ACBCYW shall consist of 15 non-federal voting members, including the Chair. The non-federal voting members and the Chair shall be selected by the Director, CDC and shall include individuals with expertise in breast cancer, disease prevention, early detection, diagnosis, public health, social marketing, genetic screening and counseling, treatment, rehabilitation, palliative care, and survivorship in young women. as well as other individuals with expertise in related disciplines with a specific focus on young women. These non-federal voting members shall be deemed Special Government Employees (SGE).

The Committee shall also consist of non-voting ex-officio members from HHS including the Agency for Healthcare Research and Quality, HHS; the National Institutes of Health, HHS; the Health Resources and Services Administration, HHS; the Indian Health Service, HHS; the Office on Women's Health, HHS and such other HHS departments as the Secretary deems necessary for the Committee to effectively carry out its functions.
