If Your COVID-19 Test is Positive

Whether you’re vaccinated or not:

- Isolate for at least 5 days after your positive test (if you don’t have symptoms) or after the day your symptoms first appeared.

- Wear a mask around other people until day 10.

Cancel or reschedule your flight.

- If you reschedule, do not travel until a full 10 days after your positive test (if you don’t have symptoms) or after the day your symptoms first appeared.
