Docket Officer:

Please make the following corrections in the comments that 3M submitted earlier today to docket 137.

- 1) Second line on page 11, please replace "...available to the US workforce, national and state stockpiles." with "...available to the US workforce, as well as national and state stockpiles."
- 2) Ninth line on page 13, please replace "...dollars sales are lost..." with "...dollars of sales are lost..."
- 3) Eighteenth line on page 13, please replace "...re-training between greater..." with "...re-training greater..."
- 4) On the first line below table 1, page 18, please replace "...same respirators models..." with "...same respirator models..."
- 5) Twentieth line on page 24, please replace "If only one model is made..." with "If only one size is made..."
- 6) Twenty-seventh line on page 24, please strike the sentence "It does not say by facial size or by other descriptive means."

Thank you for making these changes.
